

Neocon Middle East Policy: The "Clean Break" Plan Damage Assessment, 2005, 109 pages, Adam Shapiro, 0976443732, 9780976443735, Institute for Research, Middle Eastern Policy, 2005

A Clean Break: A New Strategy for Securing the Realm is a definitive Middle East Policy strategy authored and implemented by operatives in the highest levels of the US government. There is just one problem. The plan was a strategy for Israel, not the United States of America. Neocon Middle East Policy reviews strategies and consequences of the "Clean Break" plan authored by Richard Perle, David Wurmser, and Douglas Feith in 1996. It analyzes the core assumptions of the policy, cost of tactics that have already been implemented and discusses the likelihood others will be executed in the future. Neocon Middle East Policy then turns to the most difficult questions of all, "Can a policy crafted for a foreign government and presented to Prime Minister Benjamin Netanyahu serve as a blueprint for US regional policy? At what cost in credibility, blood, treasure and American integrity? At what cost to Israel?" Neocon Middle East Policy is a must-read for anyone concerned about the convergence of US and Israeli foreign policy in the Middle East.
